*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Mr. James Q. Reber

DATE: 24 March 1958

FROM : Richard M. Bissell, Jr.

SUBJECT: Immediate Coverage of Tyura Tam

General Lewis did speak to General Cabell about this, as did I. General Cabell shared my view that it would be quite hopeless to try to get a special authorization for this purpose on a crash basis so no effort was made. I hope you'll assure Macia, however, that we are as anxious as he to obtain this kind of coverage.
